1. Template Overview

Marklab is a premium Webflow ecommerce template designed for digital marketing agencies. It features a bold, modern aesthetic with a light/white background, vibrant blue primary color (#4555FD), and elegant serif accents. The template includes 12+ pages with full CMS support.

Page Structure

- Homepage (/home) - Hero, Marquee, Choose Us, Services, Process Steps, Portfolio, Testimonials, FAQ, Blog, CTA, Footer
- About (/about) - Hero banner, Story section, Animated counters, Values grid, Team carousel, Footer
- Work/Projects (/project) - Hero, Project grid with images, Footer
- Work Single (CMS) - Individual project detail page with CMS-driven content
- Blog (/blog) - Hero, Category filters, Blog card grid, Footer
- Blog Single (CMS) - Individual blog post with rich content
- Pricing (/pricing) - Hero, Testimonial, Pricing cards (Basic \$299, Pro \$999), FAQ, Footer
- Pricing Single - Individual pricing plan detail
- Contact (/contact) - Hero, Contact form, Office info, Email, Footer
- Style Guide - Typography, Colors, Buttons reference
- 404 Page - Custom error page
- Password Protected - Gated content page

Design Philosophy

- Light/white background with bold dark typography
- Primary accent: Vibrant blue (#4555FD)
- Dual font system: TASA Orbiter (display) + Instrument Serif (accents)
- 3D gradient isometric icons for services
- Pill-shaped buttons with arrow icons
- Infinite scrolling logo marquee for social proof
- Tab-based interactive process section
- Animated rolling number counters for stats
- Video section with play/pause controls

2. Typography - Style Guide

Font: TASA Orbiter Deck

Primary display font. A bold, geometric typeface used for all headings and hero text. Available free from befonts.com for commercial and personal use.

- H1: Weight Medium, Line height 110%, Letter spacing -5.5px
- H2: Weight Medium, Line height 110%, Letter spacing -3.4px
- H3: Weight Medium, Line height 110%, Letter spacing -1.76px
- H4: Weight Regular, Line height 110%, Letter spacing -0.96px
- H5: Weight Regular, Line height 120%, Letter spacing -0.72px

Font: Instrument Serif

Secondary/accent font from Google Fonts. Used for italic accents and decorative text elements (e.g., 'moves' in 'Marketing that moves the Needle').

Paragraph Styles

- Large: Weight Regular, Line height 130%, Letter spacing -1%
- Small: Weight Regular, Line height 130%, Letter spacing 0%
- Caption: Weight Regular, Line height 130%, Letter spacing 0%

Typography Pattern Notes

- Hero headlines use very large display text (60-80px) with tight letter spacing
- Mixed font weights in unexpected ways - serif italic words within bold headlines
- Section labels are small uppercase with wide letter spacing
- Numbers/stats use the display font with animated rolling effect
- CTA button text is medium weight, title case
- Body text uses clean sans-serif (Instrument Sans or similar fallback)

3. Color Palette - Style Guide

Primary Color (Blue)

#C2D4FF
200

#DDE9FF
100

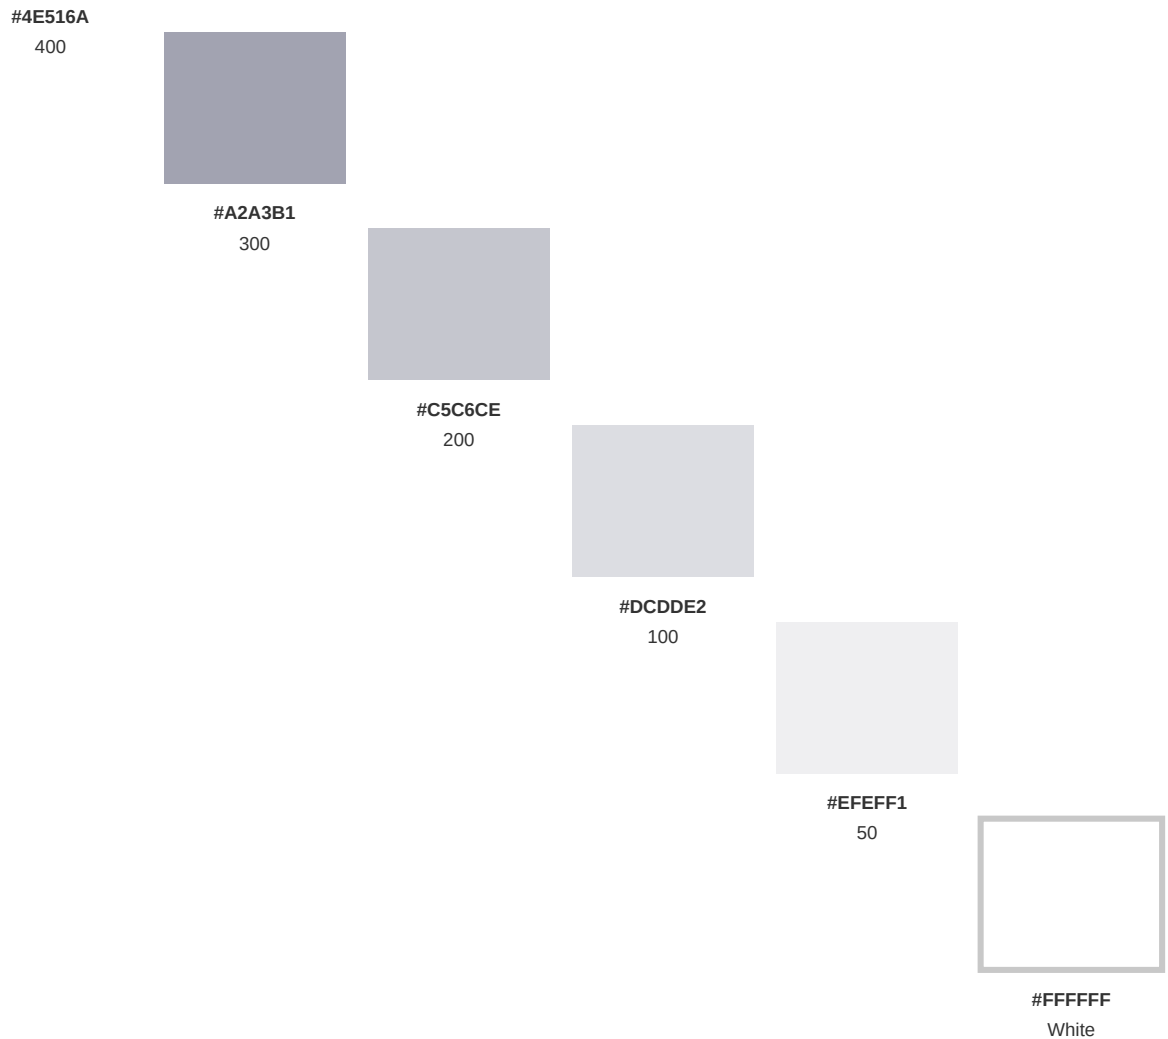

#EDF2FF
50

Complimentary Color (Dark)

#0B0D21
500 - Dark

Color Usage Notes

- Primary blue (#4555FD) is used for: buttons, links, active states, accent elements, CTA fills
- Dark (#0B0D21) is used for: all heading text, primary backgrounds in dark sections, logo text
- White (#FFFFFF) is the main page background
- Light grays (50-100) are used for: section backgrounds, borders, card backgrounds
- Gradient icons use multi-color: blues, purples, pinks, oranges in isometric 3D style
- Banner/hero backgrounds use a subtle textured/grain webp overlay image
- Button hover states likely darken the blue or add shadow
- The 'dot' accent element uses the primary blue as a small circle

4. Buttons & Components

Button Styles

All buttons are pill-shaped (fully rounded) with consistent padding. Two main variants:

- PRIMARY: Filled blue background (#4555FD), white text, includes double arrow-up-right icon. Text: 'Send Inquiry', 'Let's Contact', 'Get Started', 'Book a call'
- SECONDARY: Outlined/bordered, dark text, includes double arrow-up-right icon. Text: 'All Projects', 'Explore'
- CTA buttons often appear in pairs (primary + secondary) side by side
- Small text link buttons: 'Read Now', 'Download' with single arrow icon
- Button text is duplicated (stacked) creating a bold layered effect

Card Components

- Service cards: White background, subtle border, rounded corners (~16px), 3D gradient icon at top-left, title (H4), description paragraph
- Portfolio cards: Full-bleed image on top, dark overlay with arrow-up-right icon on hover, title below image
- Blog cards: Image thumbnail, date + category meta, bold title, 'Read Now' CTA
- Pricing cards: Plan name badge, description, large price (\$XX / per project), feature checklist with check icons, CTA button
- Testimonial cards: Client logo, dot separator, quote text in larger font, client name/role
- Team cards: Photo (portrait crop), name (H5), role text, social icons (LinkedIn, X/Twitter)
- Value cards: Icon (line-style SVG), title (H5), description paragraph

Section Label Pattern

Every section starts with a small uppercase label (e.g., 'ABOUT', 'SERVICES', 'FAQ') positioned above the main heading. This creates clear visual hierarchy.

Decorative Elements

- Plus (+) icon - appears near hero sections as floating decorative element
- Curved line SVG - decorative separator in hero areas
- Dot (.) - small circle used between testimonial logo and quote
- Banner BG texture - a subtle grain/noise webp image overlaid on hero sections
- Circle decoration - outline circle behind 'Who we are' text labels
- 4.9 Rated badge - star rating badge with SVG frame design

5. Navigation / Header Pattern

Navbar Structure

- Layout: Logo (left) + Nav links (center) + CTA button + Cart icon (right)
- Background: Transparent on top, white/frosted on scroll
- Logo: SVG text-based logo 'Marklab' with custom letterforms
- Nav links: Simple text links - Home, About, Services, Work, Blog, Pricing, Contact
- CTA: 'Send Inquiry' pill button with blue fill
- Cart: Small icon with item count badge (ecommerce feature)
- Mobile: Hamburger menu with slide-out drawer

Hero Section Banner Pattern

Every page hero follows a consistent pattern:

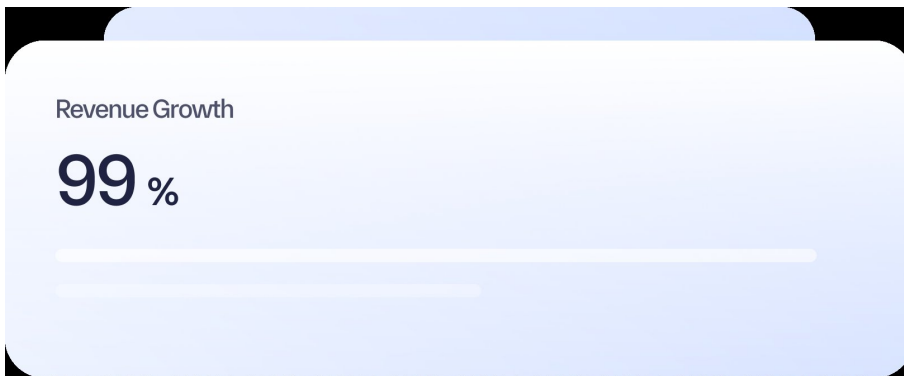

- Large H1 headline (display font, very large)
- Subtitle/description in smaller body text
- Dual CTA buttons (primary + secondary)
- Banner BG texture overlay (webp) behind the hero area
- Decorative floating elements (plus icon, curved lines)
- The hero transitions into the page content below with clean spacing

6. Hero Section Pattern

Homepage Hero

The homepage hero is the most impactful section of the template:

- Headline: 'Marketing that moves the Needle' - uses mixed fonts with 'moves' in italic serif
- Subtitle: 'All project here is designed to deliver impact-not just impressions.'
- CTAs: 'Let's Contact' (primary blue) + 'Book a call' (secondary)
- Decorative: Curved line SVG, floating bell icon, plus symbol, banner bg texture
- Below hero: Scrolling text 'Be part of the 100+ businesses...' + logo marquee

Hero 'Choose Sellmark' section image

About Page Hero

Headline: 'We are super growth Team' + subtitle + dual CTAs + banner bg texture + description text below hero.

Contact Page Hero

Headline: 'Talk to Real Humans' + subtitle 'No bots, no scripts-just real experts ready to help you grow.' + banner bg.

Pricing Page Hero

Headline: 'Best plan plan ever' + subtitle 'Simple plans-just the way real humans like it.' + banner bg.

Project/Work Page Hero

Headline: 'We have build more projects' + subtitle 'Data-driven strategies designed to attract, convert, and retain your ideal customers.' + dual CTAs.

Blog Page Hero

Headline: 'Smart Marketing Real Impact' + subtitle 'Real results, and expert insights to help your brand.' + dual CTAs.

7. Client Logo Marquee

An infinite horizontal scrolling marquee displaying client/partner logos. The marquee text above says: 'Be part of the 100+ businesses transforming their digital presence.'

Technical Implementation

- CSS animation: translateX from 0 to -50% (duplicated content for seamless loop)
- Duration: ~25s linear infinite
- Logo format: SVG (scalable, clean at any size)
- 5 unique logo designs, repeated 3x for seamless scroll
- Fade edges on left and right for smooth entry/exit

Marquee Logo SVGs

Logo 1: /home/user/marklab-images/marquee/logo-1.svg

Logo 2: /home/user/marklab-images/marquee/logo-2.svg

Logo 3: /home/user/marklab-images/marquee/logo-3.svg

Logo 4: /home/user/marklab-images/marquee/logo-4.svg

Logo 5: /home/user/marklab-images/marquee/logo-5.svg

8. About / Who We Are Section

Homepage 'Choose Us' Section

Layout: Two-column grid

- Left: Image (choose-image.png) showing person interacting with digital interface
- Right: Section label 'Who we are' with circle decoration, H3 heading 'Become the B2B Marketing squad', description paragraph, dual CTA buttons
- Growth icon SVG floating near the image

About page - team/office image

'Choose Sellmark' Sub-section

H3: 'Choose Sellmark Agency for Digital Growth' with description: 'we go beyond traditional marketing. We deliver value with cutting-edge, data-driven strategies.' Dual CTA buttons below.

9. Services Section Pattern

Section Header

H2: 'Smart Service That Real Impact.' (with italic serif word) + 'Let's Contact' CTA button

Service Card Grid (2x2)

Search Engine Optimization

Icon: shield-gradient.svg

We optimize your website structure, content, and backlink profile to improve rankings, boost traffic.

Pay-Per-Click Advertising

We optimize your website structure, content, and backlink profile to improve rankings, boost traffic.

Service Card Design Pattern

- Background: White card with subtle border and rounded corners
- Icon: Large 3D gradient isometric SVG (60-80px) positioned top-left of card
- Title: H4 bold text
- Description: Small paragraph in gray
- Flash/gradient decorative element floating near the section
- Cards have hover effects (subtle elevation or border highlight)

10. Process / Steps Section

'Digital Growth in 4 Simple Steps'

This section uses a TAB-BASED interaction pattern:

- Left side: 4 step tabs with numbered icons (01-04)
- Right side: Detailed content panel that updates when a tab is clicked
- Each step has: SVG icon, short title, full description paragraph
- 4.9 Rated agency badge with star design above the section
- Frame 149 SVG illustration/decoration element

Step 01

Start your digital journey with confidence

Begin by completing our contact form and telling us about your business goals. This first step helps us understand your needs and how we can best support your growth.

Step 02

Connect for a strategy call that sets direction

Our team will schedule a discovery call to dive deeper into your challenges and goals, allowing us to align on the best digital strategy for your business.

Step 03

Receive a tailored plan built for your success

Based on our discussion, we'll create a custom growth plan designed to meet your unique objectives, budget, and timeline, with clear steps and measurable goals.

Step 04

(Execute & Optimize)

The final step involves launching the strategy and continuously optimizing for maximum results.

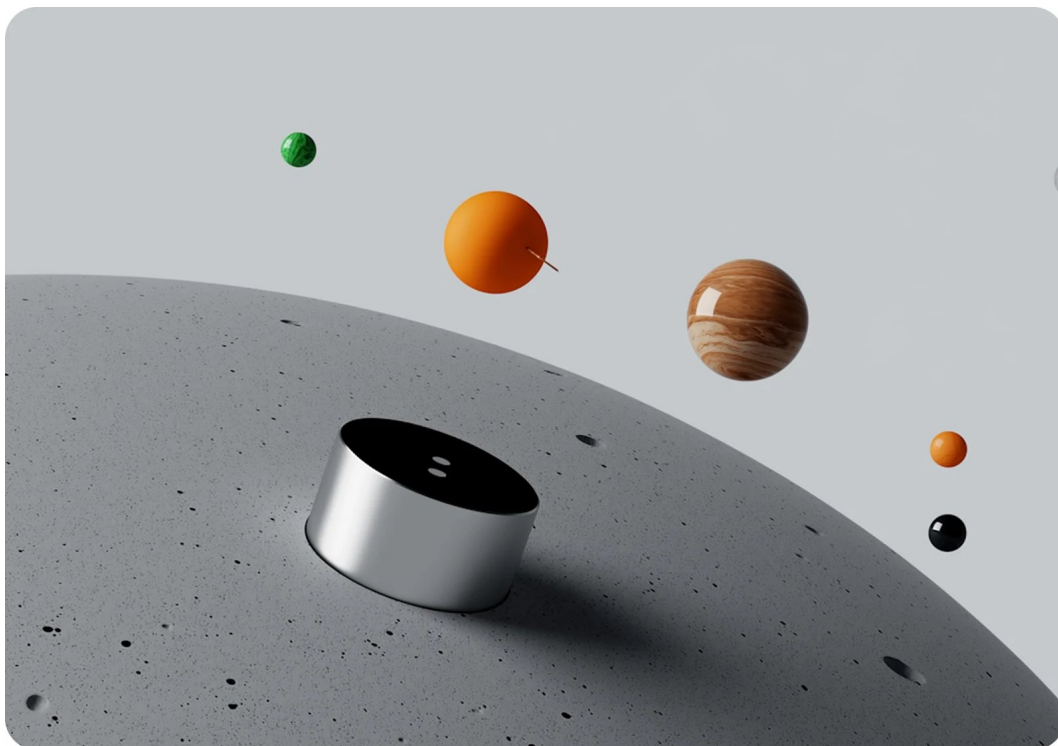

11. Portfolio / Work Showcase

Homepage 'We have build' Section

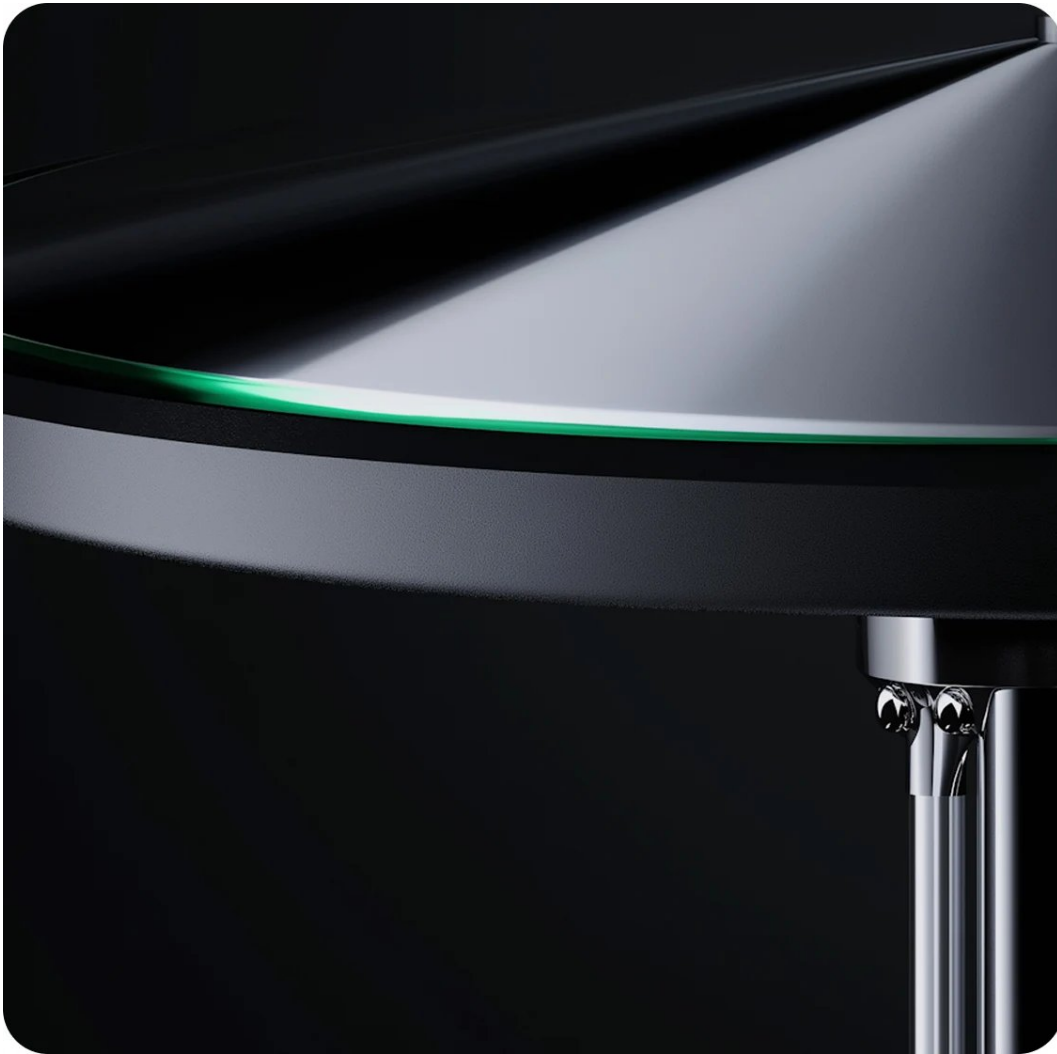

Section title: 'We have build' with subtitle: 'we go beyond traditional marketing. We deliver value with cutting-edge, data-driven strategies.'

Layout: Grid of project cards with full-bleed images. Each card has an arrow-up-right SVG overlay and bold project title below.

Portfolio Images

Nurture leads with personalized email marketing automation

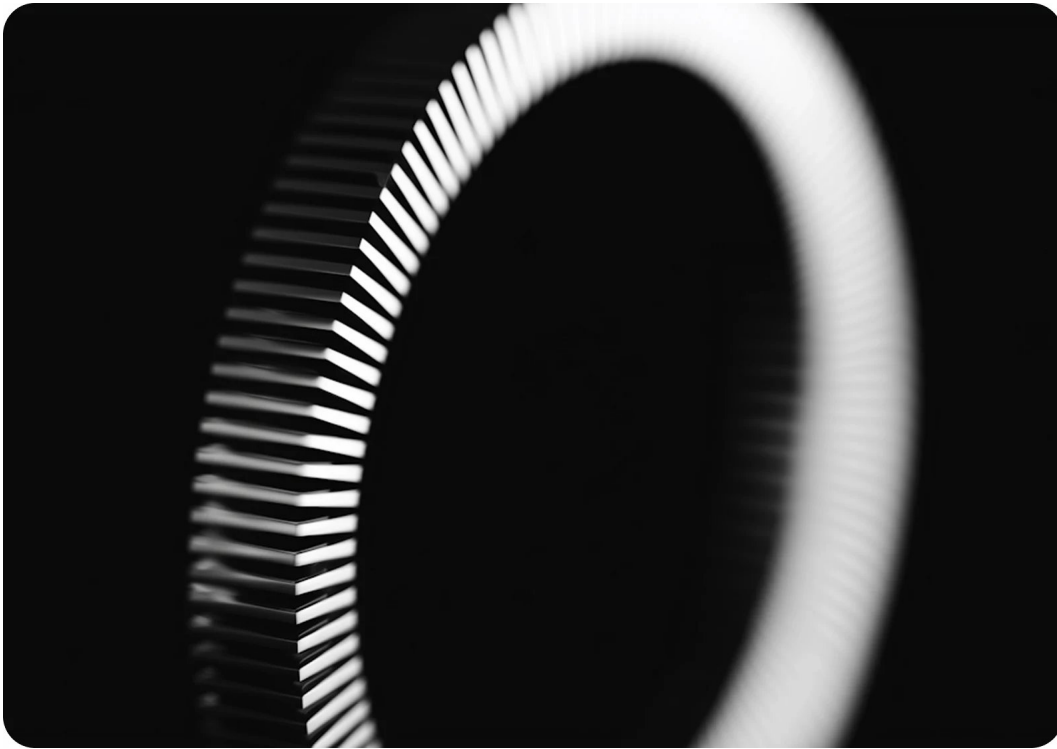

Generate demand through targeted LinkedIn ad campaigns

Capture leads using gated whitepapers and reports

Boost conversions via free trials and demos

Expand reach through strategic industry partner programs

12. Testimonials Section

Homepage Testimonials

Title: 'Client take some lovely words' with subtitle: 'Heartfelt Feedback from a Happy Client'

Pattern: Horizontal scrolling/carousel of testimonial cards.

Testimonial Card Design

- Client company logo (SVG) at top-left
- Small dot separator (blue circle)
- Quote text in larger font (italic feel)
- Cards scroll horizontally with snap points
- "One step ahead. They've become an essential part of our growth."
- "Incredible results and a team that truly cares. Our leads have never looked better"
- "They understood our goals and delivered beyond expectations. Highly recommend"
- "Clear communication, and real results. Everything you want in a marketing partner."

Pricing Page Testimonial

A standalone testimonial card appears above the pricing plans: logo + dot + 'They understood our goals and delivered beyond expectations. Highly recommend'

13. FAQ Section Pattern

The FAQ section uses a tab-based accordion interaction. Questions are listed as clickable tabs on the left, and answers appear in a content panel on the right.

FAQ Questions

FAQ Design Notes

- Left panel: List of questions as tab buttons (active state = filled/highlighted)
- Right panel: Answer content with smooth transition
- Questions appear as clickable rows with hover states
- The section appears on both homepage and pricing page

14. Blog / Articles Section

Homepage Blog Preview

Title: 'Read article' with subtitle: 'Real results, and expert insights to help your brand.' + 'All Articles' CTA button.

Layout: 3-column grid of blog cards. Each card has image, date, category tag, title, and implied link.

Blog Page (/blog)

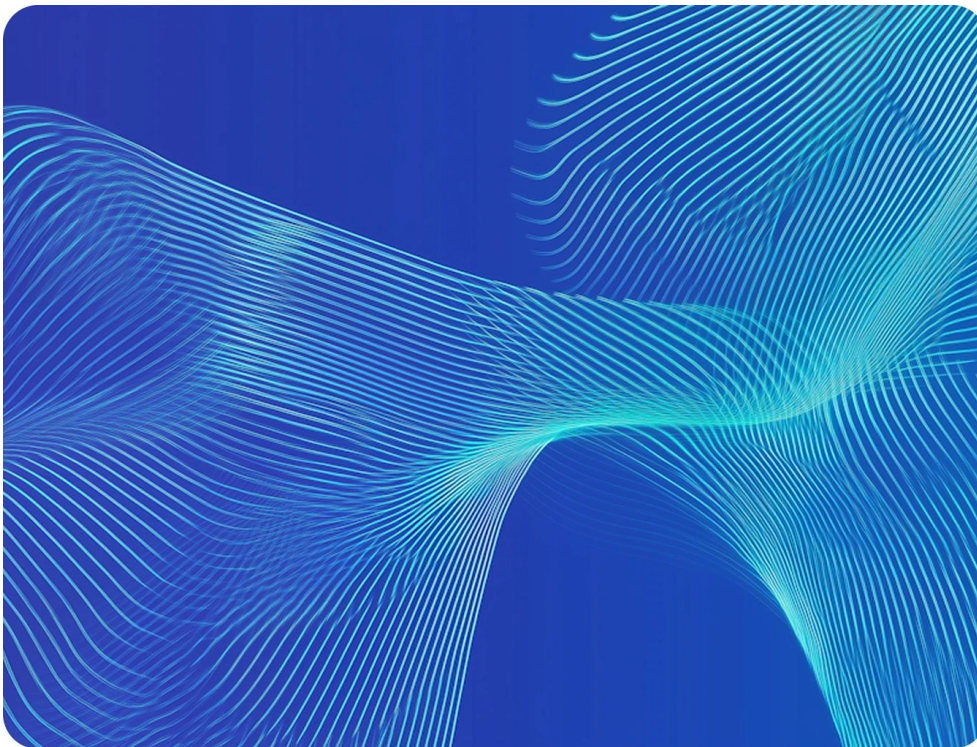

Title: 'Smart Marketing Real Impact' + Category filter buttons (All, Marketing, Strategy, Design, SEO)

Layout: Larger grid of blog cards with 'Read Now' CTA buttons.

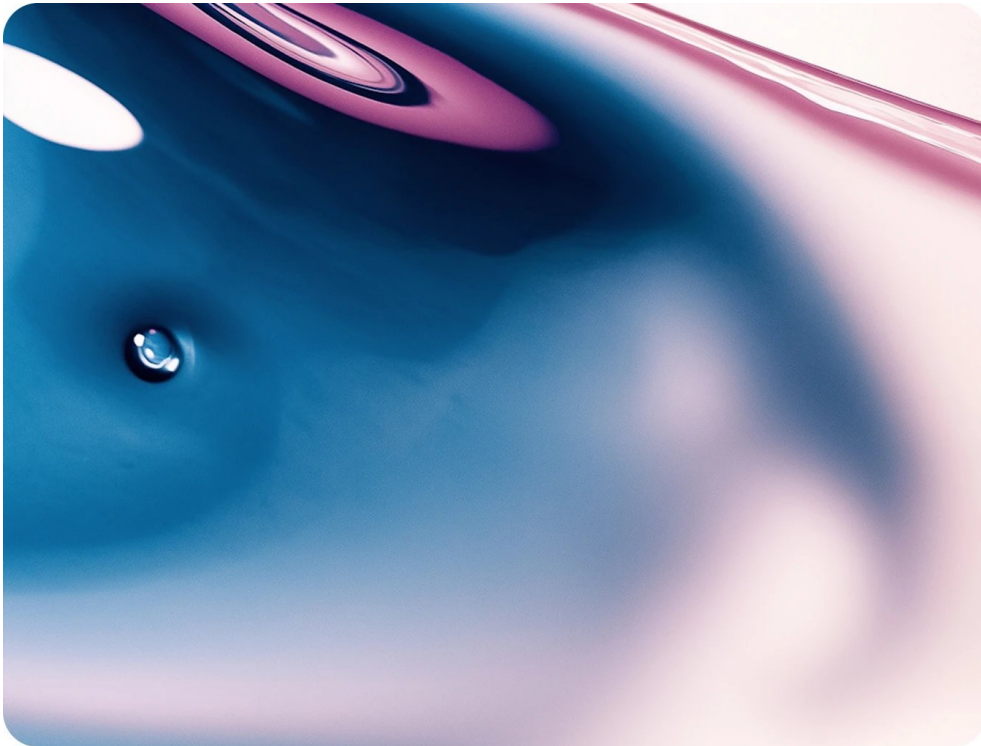

Blog Card Design

- Full-width image thumbnail (aspect ratio ~16:10)
- Meta line: 'May 12, 2025 . Design' (date + dot + category)
- Title in bold (H4-H5)
- 'Read Now' pill button with arrow icon

- 1 Campaign Setup
- 8 Social Media Posts/month
- Basic SEO Optimization
- Monthly Performance Report
- Email Support

CTA: 'Get Started' pill button

Pro Plan - \$999 / Per project

Perfect for startups and small businesses taking their first step online.

- Up to 3 Social Media Platforms
- 2 Campaign Setups (Google/Facebook Ads)
- Basic SEO Optimization
- Monthly Performance Report
- Email Support

CTA: 'Get Started' pill button

Pricing Card Design Notes

- Plan name as badge/tag at top
- Description paragraph
- Star rating with client logo + quote testimonial embedded in card
- Large price display: \$XX9 in display font + '/ Per project' subtitle
- 'Included' label above feature checklist
- Features listed with check-mark SVG icons
- '*Ready for Boost' tagline before CTA
- CTA button: pill with arrow icon
- Cards arranged in 2-column grid on desktop

16. Contact Page Pattern

Contact Page Layout

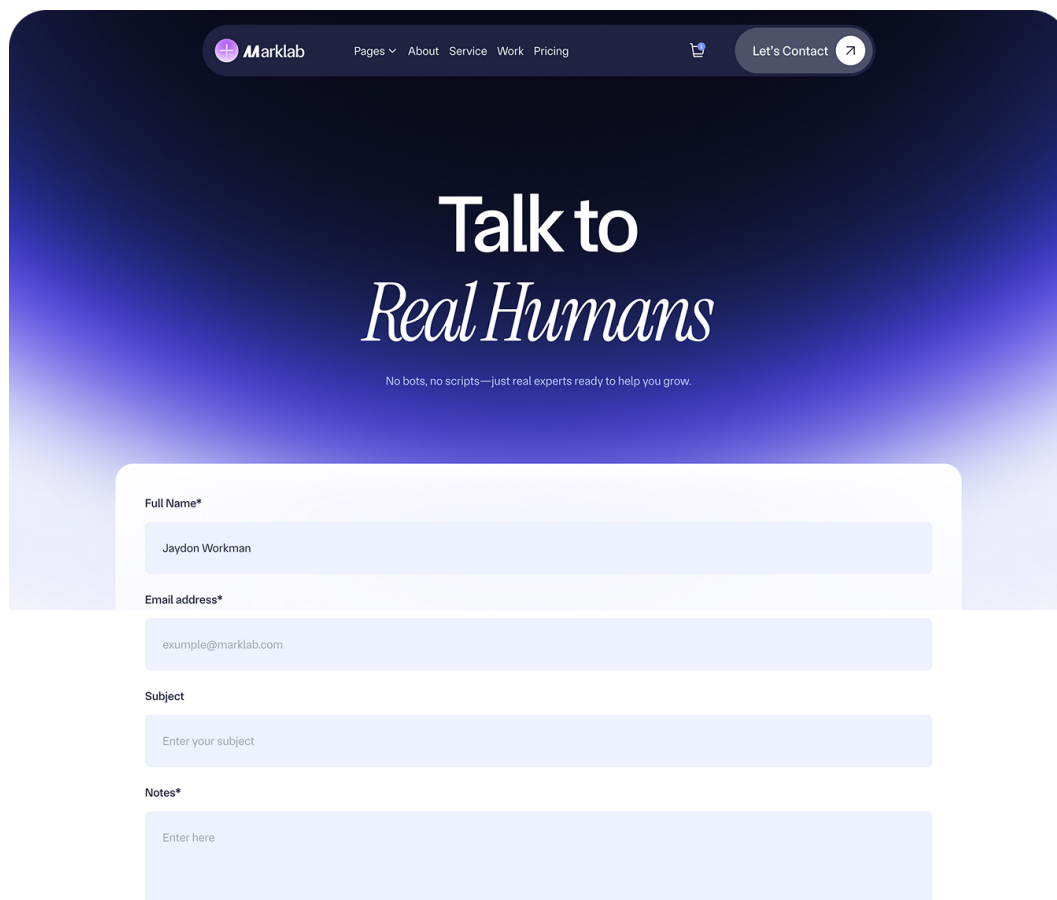

Title: 'Talk to Real Humans' + subtitle + banner bg texture

Contact Form

- Fields: Full Name (required), Email address (required), Subject, Notes (required)
- Submit button: Standard form submit
- Success/error messages: 'Thank you! Your submission has been received!' / 'Oops! Something went wrong.'
- Form fields likely use simple underline or bordered input style

Contact Info Sidebar

- Office icon (marker-pin-02.svg) + 'Office' label + Address: '11 Garden, Town Hills, Dubai, UAE 13690'
- Email icon (mail-04.svg) + 'Email' label + 'exumple@sellmark.com'
- Clean icon + label + value pattern for each contact detail

A preview of a contact page with a dark blue gradient background. At the top is a navigation bar with the 'Marklab' logo, a dropdown menu, and links for 'Pages', 'About', 'Service', 'Work', and 'Pricing'. A 'Let's Contact' button with an external link icon is on the right. The main heading reads 'Talk to Real Humans' in a mix of bold sans-serif and elegant script fonts. Below it is a subtitle: 'No bots, no scripts—just real experts ready to help you grow.' The contact form is a white rounded rectangle containing four fields: 'Full Name*' with the placeholder 'Jaydon Workman', 'Email address*' with 'exumple@marklab.com', 'Subject' with 'Enter your subject', and 'Notes*' with 'Enter here'.

17. About Page - Values & Team

Values Section: 'Bold Values Behind Every Breakthrough'

Bold work wins (Icon: infinity.svg)

We challenge conventions, push creative boundaries, and build campaigns that stand out-because safe ideas don't spark real growth.

Performance over promises (Icon: percent.svg)

We don't rely on buzzwords or empty claims-every strategy is tracked, measured, and optimized for results you can actually see.

Think smart, act fast (Icon: bar-chart.svg)

In a fast-moving digital world, we combine agile execution with intelligent planning to stay ahead of trends and ahead of your competitors.

Video Section

An embedded video with play/pause controls sits between the values and team sections. The company logo SVG is displayed as an overlay/watermark on the video.

Team Section: 'Sellmark team'

Subtitle: 'Behind every campaign is a passionate team of experts'

Layout: Horizontal scroll/carousel of team member cards.

Team Cards

Brady Barr - at Sellmark

Brady Barr - at Sellmark

Brady Barr - at Sellmark

Team Section Notes

- '30+ team members' badge with description: 'We have more than 30+ expert team members, that our strength.'
- Social icons: LinkedIn and X (Twitter) SVG icons for each member
- Team card: Portrait photo (square/rounded), name (H5), role text below

18. Stats / Counters Pattern

Animated Rolling Number Counters

The About page features an impressive animated counter section with rolling/slot-machine style number animation. Numbers roll through digits before settling on the final value.

Counter Stats

- 94% - Client Satisfaction (rolling animation through digits 9,4,3,5,6,7,9,9,8,6,4,9)
- 12M+ - Visitor in 2025 (rolling through 1,8,6,4,1,2,4,3,5,6,7,2)
- 180+ - Brands Served (rolling through many digits)

Counter Design Notes

- Each counter is a column: animated number display + suffix (% or M+ or +) + label text
- Numbers use the display font (TASA Orbiter) at very large size
- The rolling animation creates a 'slot machine' effect - digits scroll through values
- Suffix is displayed next to the number (% or M+ or +)
- Label below in smaller text (e.g., 'Client Satisfaction')
- Three counters arranged horizontally
- Implementation: Each digit position has a vertical strip of numbers that scrolls to the target

19. Footer Pattern

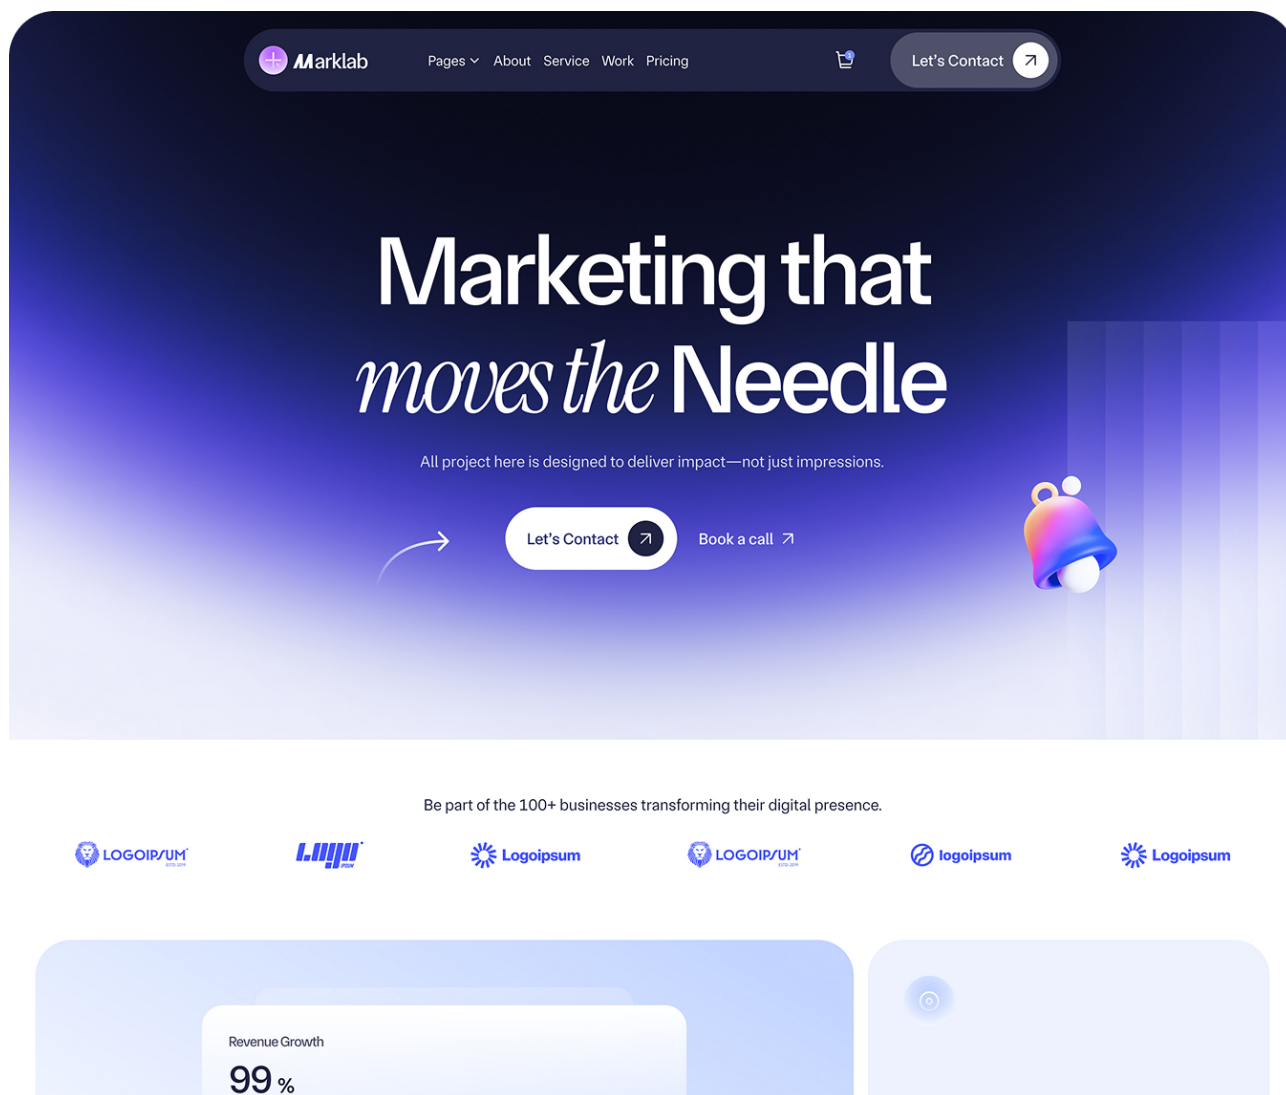

The footer appears on every page with a consistent design:

- Simple, minimal footer
- Contains 'Made in Webflow' badge (template branding)
- Likely includes: Logo, nav links, social links, copyright
- Clean separation from main content

21. 3D Gradient Icons Reference

The template uses distinctive 3D isometric gradient SVG icons for service cards. These are NOT flat icons - they have depth, shading, and multi-color gradients (blues, purples, pinks, oranges).

Service Icons

- Shield (ISO Gradient) - shield-iso-gradient.svg - Used for SEO service
- Thumb Up (ISO Gradient) - thumb-up-iso-gradient.svg - Used for PPC service
- Bell (Dynamic Gradient) - bell-dynamic-gradient.svg - Used for Social Media
- Copy/Document (Dynamic Gradient) - copy-dynamic-gradient.svg - Used for Content Marketing
- Flash (Dynamic Gradient) - flash-dynamic-gradient.svg - Decorative element near services

Other Icons

- Infinity - infinity.svg - Used for 'Bold work wins' value
- Percent - percent-01.svg - Used for 'Performance over promises' value
- Bar Chart - bar-chart-01.svg - Used for 'Think smart, act fast' value
- Growth - growth.svg - Used in the Choose Us section
- Arrow Up Right - arrow-up-right.svg (dark) + arrow-up-right-white.svg (white)
- Check - check.svg - Used in pricing feature lists
- Dot - dot.svg - Blue circle separator in testimonials
- Plus - plus.svg - Decorative floating element
- Circle - circle.svg - Behind 'Who we are' label
- Marker Pin - marker-pin-02.svg - Contact page office icon
- Mail - mail-04.svg - Contact page email icon
- LinkedIn + X Logo - Social media icons for team members

22. Design System Summary

Key takeaways for recreating a similar UI/UX:

Layout Principles

- Max-width container (~1200-1400px) with generous horizontal padding
- Large vertical spacing between sections (80-120px)
- Grid-based layouts: 2-col, 3-col, and asymmetric grids
- Full-width sections with contained content inside
- Cards arranged in responsive grids with consistent gap spacing

Visual Style

- Clean white backgrounds with occasional light gray (#EFEFF1) section backgrounds
- Rounded corners on all interactive elements (buttons: 999px, cards: 12-20px)
- Subtle borders (1px, light gray) on cards and inputs
- Drop shadows used sparingly - clean, minimal aesthetic
- Banner background texture (grain/noise webp) on every hero section
- 3D gradient isometric icons add depth and visual interest to service cards

Interaction Patterns

- Hover states on cards: subtle elevation, border color change, or arrow reveal
- Tab-based content switchers (Process steps, FAQ)
- Infinite scrolling marquee for logos
- Animated number counters with rolling digit effect
- Video play/pause toggle
- Horizontal carousels for testimonials and team members
- Category filter pills for blog

Typography Strategy

- Bold display font for all headings - creates strong visual impact
- Serif italic accents within headlines - adds personality and contrast
- Clean sans-serif for body text - maximum readability
- Very large hero text (60-80px) with tight letter spacing
- Small uppercase labels above every section heading

Key Components to Recreate

- Pill buttons with double arrow icons (primary filled + secondary outlined)
- Service cards with 3D gradient isometric icon + title + description
- Portfolio cards with full-bleed image + hover arrow overlay
- Process step tabs with numbered icons + detail panel
- Animated stat counters with rolling digit animation
- Client logo marquee with infinite scroll
- FAQ accordion with tab-based left/right layout
- Testimonial carousel with logo + dot + quote pattern
- Pricing cards with check-mark feature lists
- Contact form with icon + label + value info cards

Color Application

- Primary blue (#4555FD) for: buttons, active states, accent elements, links
- Dark (#0B0D21) for: all headings, primary text, nav text
- White for: page background, card backgrounds, button text on blue
- Gray scale for: body text (#4E516A), borders (#DCDDE2), section bg (#EFEFF1)
- Multi-color gradients for: 3D service icons only (not used elsewhere)
